Greenbank Road Safety and Improvements Project

The project is complete except for the guiderail replacement. Coordination with the underground utility company is ongoing and the new guiderail will be installed once underground utilities are moved. **(No Council Action Required).**

Veterans Park Culvert Replacement Project

The Veterans Park Culvert Replacement project is substantially complete. Punch list items and minor cleanup work still remains but the park is open and accessible. **(No Council Action Required).**

Mt. Tabor Street Improvements, Phase V

Work continues on the Mt. Tabor Street Improvements, Phase V project. We anticipate the project will be substantially complete by the middle of June. **(No Council Action Required).**

Mt. Tabor Street Improvements, Phase VI

The Mt. Tabor Street Improvements, Phase VI project is under construction and work will continue through September. **(No Council Action Required).**

2021 Road Resurfacing / Curb and Sidewalk Program

The annual road resurfacing / curb and sidewalk project was awarded and the construction schedule is being prepared. Construction activities are planned to begin in late June and will continue through the beginning of October. **(No Council Action Required).**

Various Culvert Repair Project

The Repair of Seven Bridges project was bid in March and a preconstruction meeting was held. Construction activities are scheduled to begin in July and will continue through the beginning of November. **(No Council Action Required).**

Edwards Road Improvement Project

The preconstruction meeting for the Edwards Improvement project is scheduled for the beginning of June. Construction work is planned to begin in mid to late June and will continue through the end of October. **(No Council Action Required).**

Puddingstone Heights Road Improvement Project, Phase I

The first phase of the Puddingstone Heights Improvement project is out to bid. This project is for the reconstruction of the roads in this development including drainage improvements, construction of curbs and the installation of a sanitary sewer system. Construction work is planned to begin in July and will continue through the end of the year. **(No Council Action Required).**

Community Rating System (CRS) Program

We continue to work with our consultant and the NJDEP to get back into the CRS program. This program provides discounts on flood insurance policies based on the level of activities in which the Township participates. The work will continue through at least the end of this year. **(No Council Action Required).**

Performance Bond Release – Parsippany Hanover Realty, LLC (Capital Grille), Block 202 Lot 6.04

The developer completed all work for the off-site sanitary sewer improvements associated with the development of the referenced site. Site inspections indicate that the sanitary sewer work has been constructed in accordance with the approved plans and was approved and accepted by this office and the Sewer Utility. This office has no objection to the release of Performance Surety Bond No. 107119766. **(A Resolution will need to be adopted by the Township Council).**
