

Township of Parsippany-Troy Hills

Parks and Forestry Dept.

Application for Removal of Trees

The applicant must submit a sketch plat of the subject building lot showing the location, number, approximate size and type, of trees located thereon. There shall also be shown the proposed location of buildings and appurtenant structures and such areas where changes in existing grades are required. **PLEASE NOTE:** The applicant may be required to install trees at this location. The size, quantity and location of these replacement trees are at the discretion of the Superintendent of the Parks and Forestry Department.
